MEMORANDUM

TO: PROJECT NOTIFICATION REVIEW PARTICIPANT

FROM: STATE CLEARINGHOUSE

SUBJECT: REQUEST TO REVIEW APPLICATION

DATE: January 06, 2003

The attached listing reflects applications that were received by the State Clearinghouse during the period indicated and are available for review and comment within the next 30 days.

Each listing contains an assigned identification number, the project title and a brief description of the application’s content. The use of the abbreviation (NOI) in parenthesis indicates a “Notification of Intent” to apply for funds and is not a complete application. In most cases, the (NOI) will only be the 424 Cover sheet form; however, a complete application will normally be forthcoming 30 days later.

If you desire to formally review any item listed, please indicate by placing the number assigned (i.e.AR#, Environmental Impact Statement; Public Notice) in the space provided below. In accordance with theProject Notification and Review System, anyone who makes a request to review an application must return his comments, should there be any, along with the application to the State Clearinghouse within the specified time period. Under certain circumstances, the reviewer may request an extension of time for his review and comments. This extension cannot exceed 30 days.

A waiting list of review requests is maintained by date received for those applications that are currently out-to-review. On return of the application from the first reviewer, the application is sent to the second reviewer, etc. In fairness to those on the waiting list and because only one application is submitted to this office, please do not send the application to another reviewing agent, instead return it within the specified time period.

Your cooperation in following the above procedures is sincerely appreciated.
